We have not been able to build a consensus among the stake holders on the content of “My Tenth Safety Work Book” for class 11 and 12. However, the latest edition of “My Ninth Safety Workbook” for classes 9 and 10 has new content. In our opinion the new content is very much relevant for children of class 11 and 12 also. Thus the same safety workbook can be prescribed to classes 11 and 12. The new content is as per the following:

Child Rights and various laws related to children (Pocso Act, JJA); Adolescence (Puberty, Peer Pressure, Teenager Behaviour, Relationships; Choosing Friends); Gender Equality (Binary, Intersex, Transgender and Gender Stereo Type); Ethics (Euthanasia); Bullying (Cyber bullying, Cyber Crimes, Vocabulary pertaining to Cyber, Ragging); Posh Act (Sexual Harassment of Women at Workplace); Motor Vehicle Act and a lot more.

For senior students especially for class 11 and 12 who will soon be adults and go to colleges/universities, or may start working part-time to support their education/family, content on ragging, sexual harassment of women at the workplace, cyber vocabulary and Motor Vehicle Act will help them to be responsible and stay healthy, happy and safe.
