A Message for Teachers

This picture book is designed to foster a deep connection between children and the beloved characters Sana, Arpit, and Pokso, lovingly called the three musketeers. These characters will become their trusted allies, with whom children will share their thoughts, emotions, and experiences while studying the CACA Safety Workbooks. The aim is to make children feel comfortable with these characters.

With each turn of the page, children will discover familiar situations and surroundings, empowering them to navigate their own environments confidently. The colourful and relatable illustrations will create a sense of familiarity and enable children to connect their experiences with those of Sana, Arpit, and Pokso. Join Sana, Arpit, and Pokso as they explore a world filled with exciting adventures and important safety lessons.
