2. Letter dated 23.08.2023 of District Judge & Secretary, Kota District Legal Services Authority.
3. Request of Ms. Nisha Kumari, Advocacy Ambassador, Project CACA- Children Against Child Abuse), Social Axiom Foundation (SAF).

It is with great pleasure that I bring to your attention an upcoming event of significant importance in our community that the District Legal Authority Kota, in collaboration with the Social Axiom Foundation (SAF)-Project CACA (Children Against Child Abuse), is organizing - A two-hour Online Legal Awareness Programme on Protection of Children from Sexual Offences Act, Juvenile Justice Act, & Legal Services, which will take place via a Zoom Webinar on October 6, 2023, starting at 10:00 AM.

The purpose of this event is to sensitize and raise awareness about the crucial issue of child protection and wellbeing. We believe that their active participation in this online sensitization programme will significantly contribute to the dissemination of vital information on Children's Wellbeing and Safety, the Protection of Children from Sexual Offences (POCSO) Act, and the Juvenile Justice Act.

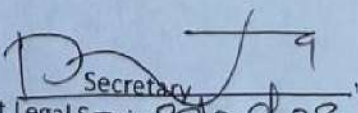

Schools are uniquely placed to break the patterns of violence by giving children, their parents, and communities the knowledge and skills to communicate, negotiate and resolve issues in more constructive ways. It is an essential responsibility of a school to embrace its role and ensure that systems and programmes are in place to provide a space of care and protection to children. When the safety policy and procedures with the best interest of the child are in place, worst-case scenarios are handled efficiently.

Your presence and engagement in this programme will help to promote a safer environment for our children and ensure that these essential laws are well understood and implemented.

Therefore, the Principals and Directors are requested to attend the said webinar.
